2023 District 1 Scholarships will be \$200.00 per week per villager/camper as per the formula below

District 1 Scholarships awarded shall not exceed two (2) weeks per Lodge and one (1) additional week per Lodge for each 70 adult members or major fraction thereof, according to the November 31, 2022 Sons of Norway Headquarters records. Lodge allocations shall be non-transferrable between Lodges.

The amount of weeks / District 1 dollars that your lodge can use for youth camp scholarships to Skogfjorden, other CLV Nordic Language Village (virtual or in person sessions), or District 5's Masse Moro Heritage Camp has been emailed to your lodge president and secretary. Contact them for this information, or contact Carolyn Townsend at cjtownsend@comcast.net or #763-434-5650.

Anyone applying for a District and Lodge scholarship must be a member, or child or grandchild of a Sons of Norway member as of October 2022 or before. Lodges are required to provide a lodge scholarship in order to use the District scholarship funds. If this proves to be a hardship for your lodge, contact the scholarship coordinator to discuss options open to your lodge. Local Lodge scholarship requirements vary from Lodge to Lodge. The lodge determines how their lodge scholarship funds and the district allotted funds are distributed to the youth who apply. It is the responsibility of each individual Lodge to inform parents, CLV or Masse Moro, and the District Scholarship Coordinator, of the exact amount allotted to each applicant from their lodge and from the District funds allowed to them. It is also the responsibility of the lodge to mail the lodge scholarship invoice form to the corresponding camp program.

If you have questions about the District 1 Scholarship program, or how to fill out forms, please contact Carolyn Townsend, District 1 Scholarship Coordinator. Additional forms can be downloaded from <http://sofn-1.org/> or contact Carolyn to have print copies mailed to you.
